**Gray Davis**  
Governor

October 18, 2002

To: All Contractors on the HIPAA Master Services Agreement List

This is to inform all vendors approved to provide services on the HIPAA Master Services Agreement (MSA) MSA01-MA06 that the CalOHI website [www.ohi.ca.gov](http://www.ohi.ca.gov) will be the official site for the posting of all State Departments seeking HIPAA MSA services. State Departments will be providing CalOHI with a list of all HIPAA contracts anticipated to be sought in the fiscal year and the Statement of Work (SOW) for specific services. The posted SOW will serve as the request for offer to all eligible HIPAA contractors. All MSA contractors should check the website regularly for the newly posted SOWs, answers to questions about the SOW, and the deadlines for submitting proposals to SOWs.

This will be the only notice to vendors that the CalOHI website will serve as the official site for all HIPAA request for offers.

Burt R. Cohen  
Acting Director  
Office of HIPAA Implementation
